**3<sup>rd</sup> Annual RI Derm Fall Meeting – Friday, October 2<sup>nd</sup>, 2015 – Register Today!**

**Program Description:** This CME activity seeks to provide participants with a refresher for the basic clinical features of alopecia, melanoma and challenging cases. Participants will come away with pearls and treatment options to enhance their clinical practice as well as network amongst area specialists to seek advice from in the future.

**Target Audience:** The target audience is Physicians, DOs, PhDs, Residents/Fellows, PAs/NPs, and medical students in the Rhode Island area.

**Learning Objectives:** At the conclusion of this activity, participants should be able to:

1. Explain the most common legal complications in dermatology.
2. Describe common aesthetic complications and how to avoid them.
3. Appreciate a broad differential for clinical mimickers and complex diseases.

**Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Rhode Island Hospital and the Rhode Island Dermatology Society. Rhode Island Hospital is accredited by the Rhode Island Medical Society to provide continuing medical education for physicians.

**Credit Designation:** Physicians: Rhode Island Hospital designates this live activity for a maximum of *6.0 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ADA Statement:** To request reasonable accommodations for a disability, please contact us at [ridermsociety@gmail.com](mailto:ridermsociety@gmail.com).
